Route #8
Frederick, Maryland 21701

Dear Harold,

The new break-through, by you, is sensational. Press on!

Sorry you've not been feeling well.

Mystified by your reference to the Ray case. I spent time and money to have a lawyer write you two long communications, making a firm offer and answering your questions.

We never heard back from Dave Portland, as promised, and I am, frankly, disgusted.

Peace,

Donald Freed
